

To: All Coaches, Principals, and Athletic Directors
From: Carrie Geer Lasseter, GCOY Chairperson

GEORGIA CHEERLEADING COACH OF THE YEAR

Is your cheerleading coach a master at bringing your student body together to support your team? Do you see pride in your athletes on and off the field? Is your coach involved in more than the X's and O's? Often, coaches work year 'round, and rarely get the recognition they deserve. Nominate your cheerleading coach for the State Coach of the Year award today! The GCCA works together with the GACA to annually present this prestigious honor to our state's most deserving coach. Awards are based on:

Philosophy of Coaching
Strength of Program
Community Involvement
Professional and Coaching Affiliations
Letters or Recommendation

Principals, athletic directors, and other coaches may submit nominations. There is no fee to nominate a coach. The committee must receive all nominations by January 10th. Notifications will then be sent to each nominee to solicit his/her application. Applications must be returned by February 10th. An unbiased selection panel will then judge the applications based on the criteria listed above.

The coach chosen as Georgia's Cheerleading Coach of the Year will be recognized at the GCCA Spring Clinic in March, the GACA/GCCA Summer Clinic in July, and the GHSA State Competition in November. Selected Georgia Coaches of the Year have gone on to be recognized by the National Federation of State High School Associations as National Coach of the Year. All nominees must be members of both the GCCA and the GACA. The Coach of the Year selection is a function of the GCCA Executive Committee. No person chosen for the selection panel will be affiliated with this committee.

Any questions may be directed to Carrie Lasseter at 220-881-9078, at the address below, or at carriejl@windstream.net. We greatly appreciate your nomination and your desire to promote cheerleading in our state. Please complete the attached form and submit all nominations to:
